It is important that you write answer to all TMA questions in your own words. Your answer should be within the approximate range of the word-limit set for a particular section. Remember, the constant practice while writing answers to assignment questions help you to write better answers to questions in term-end examination.

The TMA is designed to enable you to write answers to different categories of questions. The Assignment is divided into three sections. Section 1 comprises 2 descriptive questions of 20 marks each. Descriptive Category Questions are meant for writing essay type answers, with an introduction and a conclusion. Here, the evaluators have been asked to judge your ability to describe that you know about the topic in a systematic, to-the-point and coherent manner.

Section 2 comprises 4 questions that of 12 marks each. Here, you are requested to first analyse the topic in terms of arguments and explanations and then write the answers in a concise as well as precise manner. The evaluator shall assess your ability to distinguish, compare and contrast, or, present clear understanding of concepts and processes.

Section 3 comprises 2 questions of 6 marks each. These are meant to enhance your skill of recall in brief the relevant/precise information about persons, writings, events, exact definition to terms, or clear understanding of concepts and processes.

Submission: The completed assignments should be submitted to the Coordinator of your Study Centre.

Last date for submission of assignment is

31st March, 2020 for the students appearing in the June 2020 Term End Examination
